CLUB NOTES

EARLY AMENDS FOR HOME DEFEAT

Not surprisingly there were some long faces in Preston and adjacent parts on Saturday evening and the next four days over the depressing start to the season, a home defeat by Blackpool being a shocking anti-climax to the way North End began last season with home victories in the first 10 League matches.

Happily early amends were made for this setback in the form of a quite impressive and well deserved victory 3—1 at Norwich on Wednesday night. It will be readily recalled, the memory being somewhat painful, that last season we had to wait until our 22nd match before an away win was achieved.

It was at Northampton on December 17 by 5—1, and our only other point on the away record at that time was a 1—1 draw at Norwich on September 24, nine away games having been lost. We also won at Bury around Christmas but did not again succeed in winning away from home.

We hope and trust that our victory at Norwich marks a change for the better. The delight with which the news was received on Wednesday night was the more expressive because anything but optimism had prevailed after the Blackpool upset. There were many looks of complete incredulity, which just goes to show it was as well the management and players were not as pessimistic as the fans.

CLUB NOTES—*continued*

While extremely disappointed and abashed by the poor showing against relegated Blackpool, their attitude rightly was that there were 41 matches to come and therefore no reason to be despondent. Rather was there a more determined approach to the next task in hand if only to compensate for the previous inept display in a game which completely lacked the anticipated keen "derby" atmosphere.

Our team never really got going and had a real off day in attack, especially on the wings and Jimmy Forrest looked in vain for the kind of service he wants. Oftener than not he was stranded and it was not, of course, by design. As it was we had our chances but were neither on the mark nor slick enough.

The defence as supporters would agree could hardly be faulted in the first half and was reasonably sound all through, despite the ball so often coming back through forward moves breaking down or being played too square, with too much work on the ball rather than off it.

Blackpool's early second half blitz produced the desired results and the more to our chagrin because the covering was non-existent when the long delayed opening goal was scored following a free kick, and particularly because the penalty kick which settled the issue was so obviously a doubtful or mistaken decision.

As so many people saw the incident in question Alan Kelly and Gordon Milne (who had a fine game for his new club against his first club) were not even in the penalty area when the Blackpool wing half was adjudged to have been tripped by the 'keeper. What goalkeeper even as a last resort would trip an opponent in the box when he could dive at his feet with his hands. However, the ref. has the final say and Ray Charnley duly banged one home from the spot.

BIG DIFFERENCE

There was a vastly different story at Norwich where the sought for blend was found in an attractive, telling display given due credit in most of the reports. Ernie Hannigan showed what he can do when eager to be in the picture by getting two fine goals and newcomer Archie Gemmill scored a brilliant third after coming on as substitute for Jimmy McNab.

Without doubt it did Hannigan good to have a run with the Reserves on Monday night. He sparkled, looked for work, scored two grand goals and got the confidence to tackle his task at Norwich in an altogether different mood. Full marks to the Reserves for confirming their fine form at Blackpool in an opening 3—2 win with a 4—0 home win against Derby County Reserves, earned by refreshingly attractive play.

Our two trialists, Bright at full back and Lancaster at inside forward both gave pleasing and promising displays. Bright, who is 20, has had a spell with Sunderland Reserves and junior sides, and Lancaster, who has local associations, came here from the Chelsea youth squad. A change of scene could benefit both and do North End some good too.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Norwich City*

North End are pleased, as always during the past six seasons, to welcome the "Canaries," not least because Norwich are a good sporting club, and trust our supporters will do likewise. Norwich have been in the Football League since 1920 and nothing has occurred to bring upon them the slightest discredit.

They may not particularly relish coming to Deepdale, however, for reasons other than being made to feel welcome, for this often doughty team have yet to win here. Last season the outcome was a 3—1 PNE win after a 1—1 draw at Carrow-road for what was our first away point of the meagre eight we gained last season.

North End had not previously done well at Norwich, but in our second match of the present season succeeded in achieving our first win there by three goals to one. Its merit was enhanced by the fact that Norwich had opened the season by beating their visitors, relegated Aston Villa, by the only goal scored.

Founded in 1905, Norwich were in the Southern League from that year until 1920 when they joined the original members of Division III. Their colours are yellow shirts with green collars and cuffs, and green (no longer black) shorts, hence their popular nickname. There are few outfits as colourful.

Perhaps their best-known manager was Archie Macauley, ex-Scotland, Brentford and Arsenal, although his predecessors included D. Lochhead, F. Buckley, D. Lochhead, N. Low and T. Parker. Present occupant of the post is Mr. L. Morgan.

WARNING TO YOUNG SUPPORTERS

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.
